# Basic Neonatal Resuscitation Program – First Golden Minute Project Report

Date: 18th March 2025

Venue: Symbiosis College of Nursing, Pune

Organized by: Symbiosis College of Nursing in collaboration with Indian Academy of Pediatrics (IAP)

## 1. Objectives of the Program

The Basic Neonatal Resuscitation Program (BNRP), launched under the “First Golden Minute” initiative, aimed to:

- Equip healthcare professionals and students with evidence-based neonatal resuscitation techniques.
- Address the alarming rate of neonatal deaths caused by birth asphyxia.
- Promote rapid response skills to save newborns during the critical first minute of life.
- Encourage inclusion of neonatal resuscitation in healthcare training curricula.
- Build a sustainable and skilled workforce across healthcare systems.

## 2. Description of the Event

The day began with a warm welcome extended by the program compere, Ms. Bishaka Shrestha, who emphasized the significance of the initiative and its potential impact on newborn survival rates across India. The program was formally inaugurated by the ceremonial lighting of the lamp by esteemed dignitaries.

The welcome address was delivered by Dr. S.G. Joshi, Director, Symbiosis College of Nursing, highlighting the institution's commitment to academic excellence and public health interventions.

The keynote address was delivered by Dr. Prashant S. Dixit, a leading neonatologist and trainer, who shared vital insights into neonatal critical care and the importance of early resuscitation interventions.

Dr. Sonopant G. Joshi  
Director & Professor  
Symbiosis College of Nursing(SCON)  
Hill Base Campus  
Lavale, Pune-412 115.

### 3. Resource Persons & participants

- *Chief Guest & Lead Instructor:* Dr. Prashant S. Dixit, Neonatal Intensivist & Scientific Director, Howard Newborn Centre, Malad, Mumbai
- *Course Coordinator:* Dr. Seeta Devi, Professor & HoD, Obstetrics and Gynecological Nursin
- *Course Providers:*
  - Dr. Shital Pimpalekar, Associate Professor
  - Ms. Joyce Mathivanan, Tutor
- *Participants:*
  - MSc nursing students and faculty of SCON & SUHRC Staffs

### 4. Training Sessions

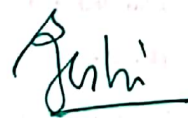

Participants were divided into four groups and rotated through hands-on skill stations arranged at:

- Pre-Clinical Lab
- OBG Lab
- Classrooms 7 & 8

These stations offered practical training under expert supervision, focusing on airway management, stimulation techniques, ventilation procedures, and immediate newborn care during the first golden minute.

### 5. Program Outcomes

- Participants received intensive, hands-on training in neonatal resuscitation.
- Improved readiness among nursing students to respond to birth-related emergencies.
- Reinforced the importance of teamwork, rapid decision-making, and clinical acumen in neonatal care.
- Fostered a collaborative spirit between students, faculty, and practicing healthcare professionals.

Dr. Sonopant G. Joshi  
Director & Professor  
Symbiosis College of Nursing(SCON)  
Hill Base Campus  
Lavale, Pune-412 115.

## 6. Performance Evaluation and Certification

Following the training, participants underwent a performance evaluation test to assess skill acquisition and knowledge retention. Certificates were distributed by the dignitaries, acknowledging the successful completion of the program.

## 7. Vote of Thanks

A formal vote of thanks was delivered, expressing gratitude to the Indian Academy of Pediatrics, the dignitaries, resource persons, organizing team, and participants. The event concluded with a collective commitment to continue strengthening neonatal care initiatives.

## 8. Impact on Stakeholders

- Strengthened practical competencies of MSc nursing students and faculty of SCON & SUHRC Staffs, in emergency newborn care.
- Contributed towards India's public health goals of reducing neonatal mortality.
- Enhanced institutional capacity for delivering skill-based, outcome-oriented education.
- Fostered community-oriented academic engagement in alignment with NAAC's quality benchmarks.
